QUICK SUMMARY TO ASSIST YOU ON THE FIRST DAY

EGA is a COVID-Safe facility so please assist us to maintain safety for all. We are a drop off, pick up facility. With COVID procedures, our policies are stricter allowing ONLY students inside the gym who are registered in our program. Parents can view the facility online. Please view our COVID-Safe procedures, terms and conditions available on our website.

On Arrival:

Entry is via the front glass door. Please arrive on time and not too early as the front door will remain closed until 5 minutes prior to the lesson. **When you arrive please register your child using the QR Code located on the outside wall of the gym.** Please do not enter the gym if the door is open. Parents are not to cross the yellow line outside and students must stand on allocated yellow dots to ensure social distancing. Parents, please do not stand in line with their child unless you are masked, and your child is attending EGA Toddlers or EGA Kinder Gym classes.

What to wear:

Students must wear their hair up in a ponytail or bun depending on the length of your child's hair. All participants will need to wear the EGA Leotard and/bike shorts to be worn. Alternate leotards can be worn in the interim while stock is unavailable. No skirts, jewellery, fit bits or any other accessories.

What to bring:

Please make sure your child has a bottle filled with water as we cannot supply any food or beverages. Water bottles can be refilled throughout the lesson. Any children dropped off with no water, parents will be contacted to return with bottled water.
